Building a Bridge to Uganda Team Arrived Safely

Last Tuesday, following a special blessing at the 9 A.M. daily Mass, Chuck Ormsby, leading a delegation of 8 missionaries, left for Uganda. On Wednesday afternoon Father Joseph Sseguro called Father McLaughlin to report that they had landed safely at Entebbe Airport . . . and on time.

They spent Wednesday night at a convent near Entebbe, and on Thursday visited the site of the high school which *Building a Bridge to Uganda* will build outside of Kampala.

By now, they have made their way to Ibanda and are celebrating Sunday Mass with Father Joseph and the Christian community of St. Charles Lwanga Parish.

in our PARISH MISSION STATEMENT we commit to:

Teach others, through instruction and example, the saving Word of Christ.
